## NOTES FROM THE ADMINISTRATOR

Welcome to our new residents.

June has arrived in all of its splendor. We look forward to warmer weather, blooming flowers and summer gatherings with family and friends. Warmer weather also increases the chances of summer storms. Be prepared for possible power outages and remember that main areas in the Villa are available for refuge in the event of power failure.

The Wayne State University's FAM Program received an enthusiastic response from Redford Villa and Cottage residents. Participants are in their fourth week of the 12-week program that will concentrate on mindfulness, yoga, nutrition and other points of pertinent information for healthy aging.

Due to the small number of weekend participants, the meals provided by Bob Modes will only be served one day of the weekend; Sun day. Please carefully read the instructions on your weekly menu to comply with the procedure for ordering and paying for meals.

Redford Village has contracted with a new lawn care company. They are aware of the on-going issues we're experiencing and have agreed to assist with a plan of correction. Please be patient and allow the time needed to see improvements. Calls and emails to the office are no longer necessary.

Currently, Wayne County's Covid Transmission Level is **RED** or High. This means a mask must be worn when indoors and outside your apartment\home regardless of your risk level. Failure to comply may result in common areas and activities being closed until further notice.

All guest, caregivers and family members are to enter the building through the main lobby and sign the visitors' log. First floor patios are not to be used as entry points into your apartment.

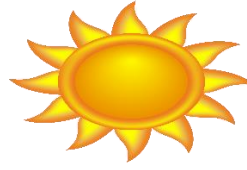

Happy Summer!

RESIDENT SPOTLIGHT  
RESIDENT OF THE MONTH  
JUNE 2022**

**Ms. Georgia “Dianne” Deck has been a resident since 2019. A retired City of Detroit Police Officer with the passion of a true servant. Georgia is a strong woman, she is persistent and tenacious. She treats obstacles as stepping stones on her way to success. She learns from setbacks, and never stops until she achieves her goal. While dedicating her life as a Police Officer for over 25 years, Georgia learned to face challenges, stand up for herself and others and refuses to stay silent in the face of abuse of power. Georgia recognized her journey as a servant & nurturer earlier in life and stayed the course. A combination of passion, self-respect, tact and timing along with a healthy dose of courage is Georgia’s secret sauce to life!**

**Dianne currently volunteers as a hall monitor at the village, as well as, delivering “Meals on Wheels”. Dianne’s love for the residents is what drives her and gives her a sense of meaning and life satisfaction.**
