Happy 4th of July.

Welcome new residents:

Arlene Sabir - Villa

Essic Wooley – Sylvan Terrace

Friends & Family Success

A heart-felt “thank you” to all who helped make 2023 a successful year for our Friends & Family campaign. Not only did we meet our goal, we exceeded it. Forward your ideas and suggestions for activities, entertainment, etc. to any member of the resident council.

Lawn Maintenance

Our lawn care contractors have very specific contractual obligations. They are responsible for servicing all the lawns in Sylvan Terrace, Heatherwoods and Village Green.. Residents do not have the authority to “opt out” of certain lawn care services.

Redford Connector

The Villa bus is currently being serviced and is out of commission. Did you know that the Redford Connector is available and provides curbside services throughout Redford Township?

There are many selected trips outside Redford, including those to area shopping malls, restaurants and special events. The Connector will also provide transportation to Botsford/Beaumont, Garden City and St. Mary’s Hospital.

The buses are equipped with a lift ramp to assist disabled persons. Service is available Monday – Friday, 8:00 a.m. – 3:00 p.m. You must call three (3) days in advance to schedule your pick-up.

Service is provided on a “first come, first serve” basis. To schedule a pick up, please call (313) 387-2784.

Look for PVM on:

The Senior Advocate.

IN A FLASH!

In a flash you can lose all of your possessions and even your life during a fire. You can also destroy the life of a neighbor. According to the National Fire Protection Association, more than 26% of reported fires in 2016-2020 occurred in homes. In addition, 75% of civilian fire deaths and 74% of the reported injuries were caused by home fires. Over that same time period as a whole, cooking was the leading cause; and smoking was also tops on the list. It can take just 30 seconds for a small flame to turn into a major blaze, according to the Department of Homeland Security.

So what can we do to protect ourselves and our community? PVM has a No Smoking policy in place to protect everyone. With everyone being so close that 30 seconds just mentioned can spread very quickly to others. Not smoking is good for your health in general but also smart for protecting oneself from a fire. Take extra caution when making dinner. Make it part of your routine to always check to make sure the burners are turned off before you remove the food from the stove. Also, you can place a reminder notice on your door reminding you to check that all burners are turned off before you leave. That can also hold true for irons, steamers and hair grooming products.

Do not allow yourself or your neighbors to become another death or injury statistic.

Be a SMART & SAVVY SENIOR!
