Diane's News for September 2022

There are flowers enough in the summertime.....More flowers that I can remember....but none with the purple, gold and red that dye the flowers in September. That is a poem about September.

September's name comes from the Latin word *septem* meaning seven. This month had originally been the seventh month of the early Roman calendar.

As we look to the fall time for many this is their favorite season with pumpkins, cooler nights and spooky creatures. Close your eyes and remember school starting, making new friends and sharing in the football games and the Halloween gatherings. Those are the times that we remember.

You know that when we use our memory it is like a movie, close your eyes and remember that special day in September.....you can put it on re-wind whenever you want. That is the great part about your memory it stores all the special events that shaped your lives and even if you do not have a paper picture to look at when you close your eyes and remember it looks the same.

As we look for a Full time Wellness Director, please understand that we are all doing the best for you that we can do in relationship to activities in the building. We are working on getting a van driver so that we can go out to lunch and other outings that you are used of but please be patient with us as good employees are hard to find.

The store is open Wednesday's from 1pm-2:30pm. We need volunteers to assist with the store weekly. If you are willing to assist please see Diane. Your assistance would be greatly appreciated but until we find volunteers Kimber is your host in the store weekly.

The medical Team will be taking blood pressures and first and the third Wednesday in September which will be the 1st and the 15th

As we had talked about at our last Community Meeting if you have a skill that you would like to share please see Diane so that we can put you on the wellness schedule. For the month of August we started a card making group with one of our resident's friends, please refer to the calendar information on time and days. Everyone liked the card making and got to take a card home.

Remember that it only takes a moment to brighten someone's day so always try to be kind to each other every day!

Lake Huron Woods is having an open house September 17th from noon-4pm. If you know of someone looking for a great place to live and a great apartment please tell them to come in for a tour. Remember that if they do move in you will get a \$500.00 check. See Kristine in leasing for more details.

The friends and family picnic was a huge success, everyone said that they had a great time. Thanks to Chef Crystal for the great picnic food, all the staff that helped with set-up and take down, and thanks to all of you for the great fellowship.

Grace Hospice is hosting the Monthly Birthday for those born in September 16th at 2pm in the Activity Room. Hope to see you there.

We are still looking for a Wellness Director so please stay tuned for details
